We would like to extend a warm invitation for you to visit DESIGNA at Intertraffic 2010 (23-26 March in Amsterdam). Find out about our latest products and discover how DESIGNA is providing its customers today with the answers to tomorrow's problems.

Trade Fair Highlights

- Discover why complex parking management systems do not always have to be complicated. And why DESIGNA, as usual a step ahead, is already employing Windows 7 for its software user interfaces.
- Find out how, using our new, powerful service module, you can detect imminent shortages in advance, such as empty ticket machines, and recognise scanning heads that are on the verge of becoming obscured by dirt, all of which enables you to prevent service breakdowns.
- Experience the way our innovative ASP (Application Service Providing) could enable your company to control its operations efficiently, and how it minimises your financial expenditure.

DESIGNA Trade Fair Party

THURSDAY, 25.03.2010

Celebrate together with us.

Our popular Trade Fair Party begins at 7.30 p.m. on Thursday at the VOC Café at Schreierstoren. An evening of relaxation and stimulating conversation—as you choose: with dinner and live music, both are easy. Your party tickets are waiting for you at our booth. We look forward to seeing you!

On the back you will find a map of how to get there. Address: VOC Café, Prins Hendrikkade 94/95, 1012 AE Amsterdam.

What awaits you:

- Dinner with culinary highlights
- Live music
- Fascinating conversation
- Historical ambience

Party tickets

You will receive your own personal party ticket at our booth.
