

SEMINAR

DESIGNA-Live-Webinars

Use the chance to improve your knowledge or even the knowledge of your coworkers without expending effort.

Compared with regular class trainings there are no additional costs for travelling or accommodation.

Basics

What is a Webinar?

A Webinar is an online seminar via the World Wide Web.

The name „Webinar“ itself is a made-up word and stands for Web + Seminar = > Webinar.

What do I need to take part ?

A computer with an internet connection, a sound card and loudspeakers - that`s it.

Which topics will be covered ?

See table (right) or visit our website: www.designa.de.

What are the costs for a Webinar?

1) An „open“ Webinar runs six times a year and costs per participant and Webinar just EUR 19,50

2) An „individual“ Webinar - right according to your individual demands - will be offered separately.

Webinare

Procedure

Welcome

„Get together“, sound check and presentation of the today`s topic.

Main part

Depending on the topic the main part talks up to 20 minutes.

The participant follows the live video presentation relaxed from his workplace. Inbetween he can wave a digital flag to pay attention.

Final part

After the main part there is an open chat box directly connected to the moderator.

A forecast for the next webinar will finalize the session.

Sustainability

If desired - the participant of an individual webinar will have the chance to download the recorded live webinar form an online server.

Registration

A registration of a webinar can be done directly to: webinar@designa.de
We can put you on an e-mail list that you`ll be informed additional.
